

11 March 2025

Dear Parent(s) / Carer(s)

Year 11 Parent Review Evening, Tuesday 25 March 2025 - Online Appointment Booking

I would like to invite you to attend our second Year 11 Parent Review Evening on Tuesday 25 March 2025.

Nunthorpe Academy's second Year 11 Parent Review Evening will take place on Tuesday 25 March via video calls. Appointments for each teacher will last four minutes, this is to ensure that teachers have the opportunity to meet with as many parents/carers as possible. This will be the second and final opportunity to hear how your child has been progressing since they started Year 11, how they achieved in their first and second set of trial exams during November and February/March and what they need to do to fully prepare for their full GCSEs in the summer (only 6 weeks from this parent evening)

By the time of this Parent Review Evening your child's second set of trial exam results will be available and the final predicted grade will have been made by each of your child's subject teachers. This will give the most up to date prediction, factoring in all the progress made in lessons and in trial exams, of what you child is likely to achieve across their subjects.

If when making your appointments you find that you cannot make one with certain teachers, this is likely due to the fact that the teacher has no spare appointments left. If this is the case and you still require information from the teacher regarding your child, then please contact the member of staff via email.

Please remember - if after the Year 11 Parent Review Evening you feel that you require more time with an individual teacher to discuss your child's progress this can be arranged by emailing the teacher directly (all staff emails are on our website) and either a meeting in the Academy or a phone call can be arranged.

Appointments can be made from Tuesday 11 March 2025 and will close on Tuesday 25 March 2025.

Please visit <https://nunthorpeacademy.schoolcloud.co.uk/> to book your appointments. (A short guide on how to add appointments is included with this letter).

When logging into the system for the first time **you must use the exact details that you gave to the Academy when registering your child with us.**

If you have any issues, please contact the school, via the email: admin@nunthorpe.co.uk

Yours sincerely

J Skelton
